

Who am I ?

```
new PnPDemoPresenter
{
    Name = "Adam Wójcik",
    Description = @"Standard dev that loves coding with headphones🎧 on
                  and coffee☕ next to the keyboard👨‍💻",
    Position = ".NET/FullStack/SharePoint/Microsoft 365 Developer/Consultant 🧑‍💻",
    Location = Country.Poland,
    Social = new List<SocialType>()
    {
        SocialType.Linkedin, 
        SocialType.Twitter 
    },
    IsFirstTimePresenter = true
};
```

Like what I do? 👍

yes

no

Want to buy me coffee? ☕

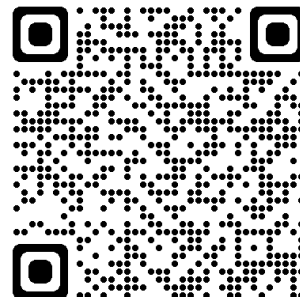

That's ok 😊

no

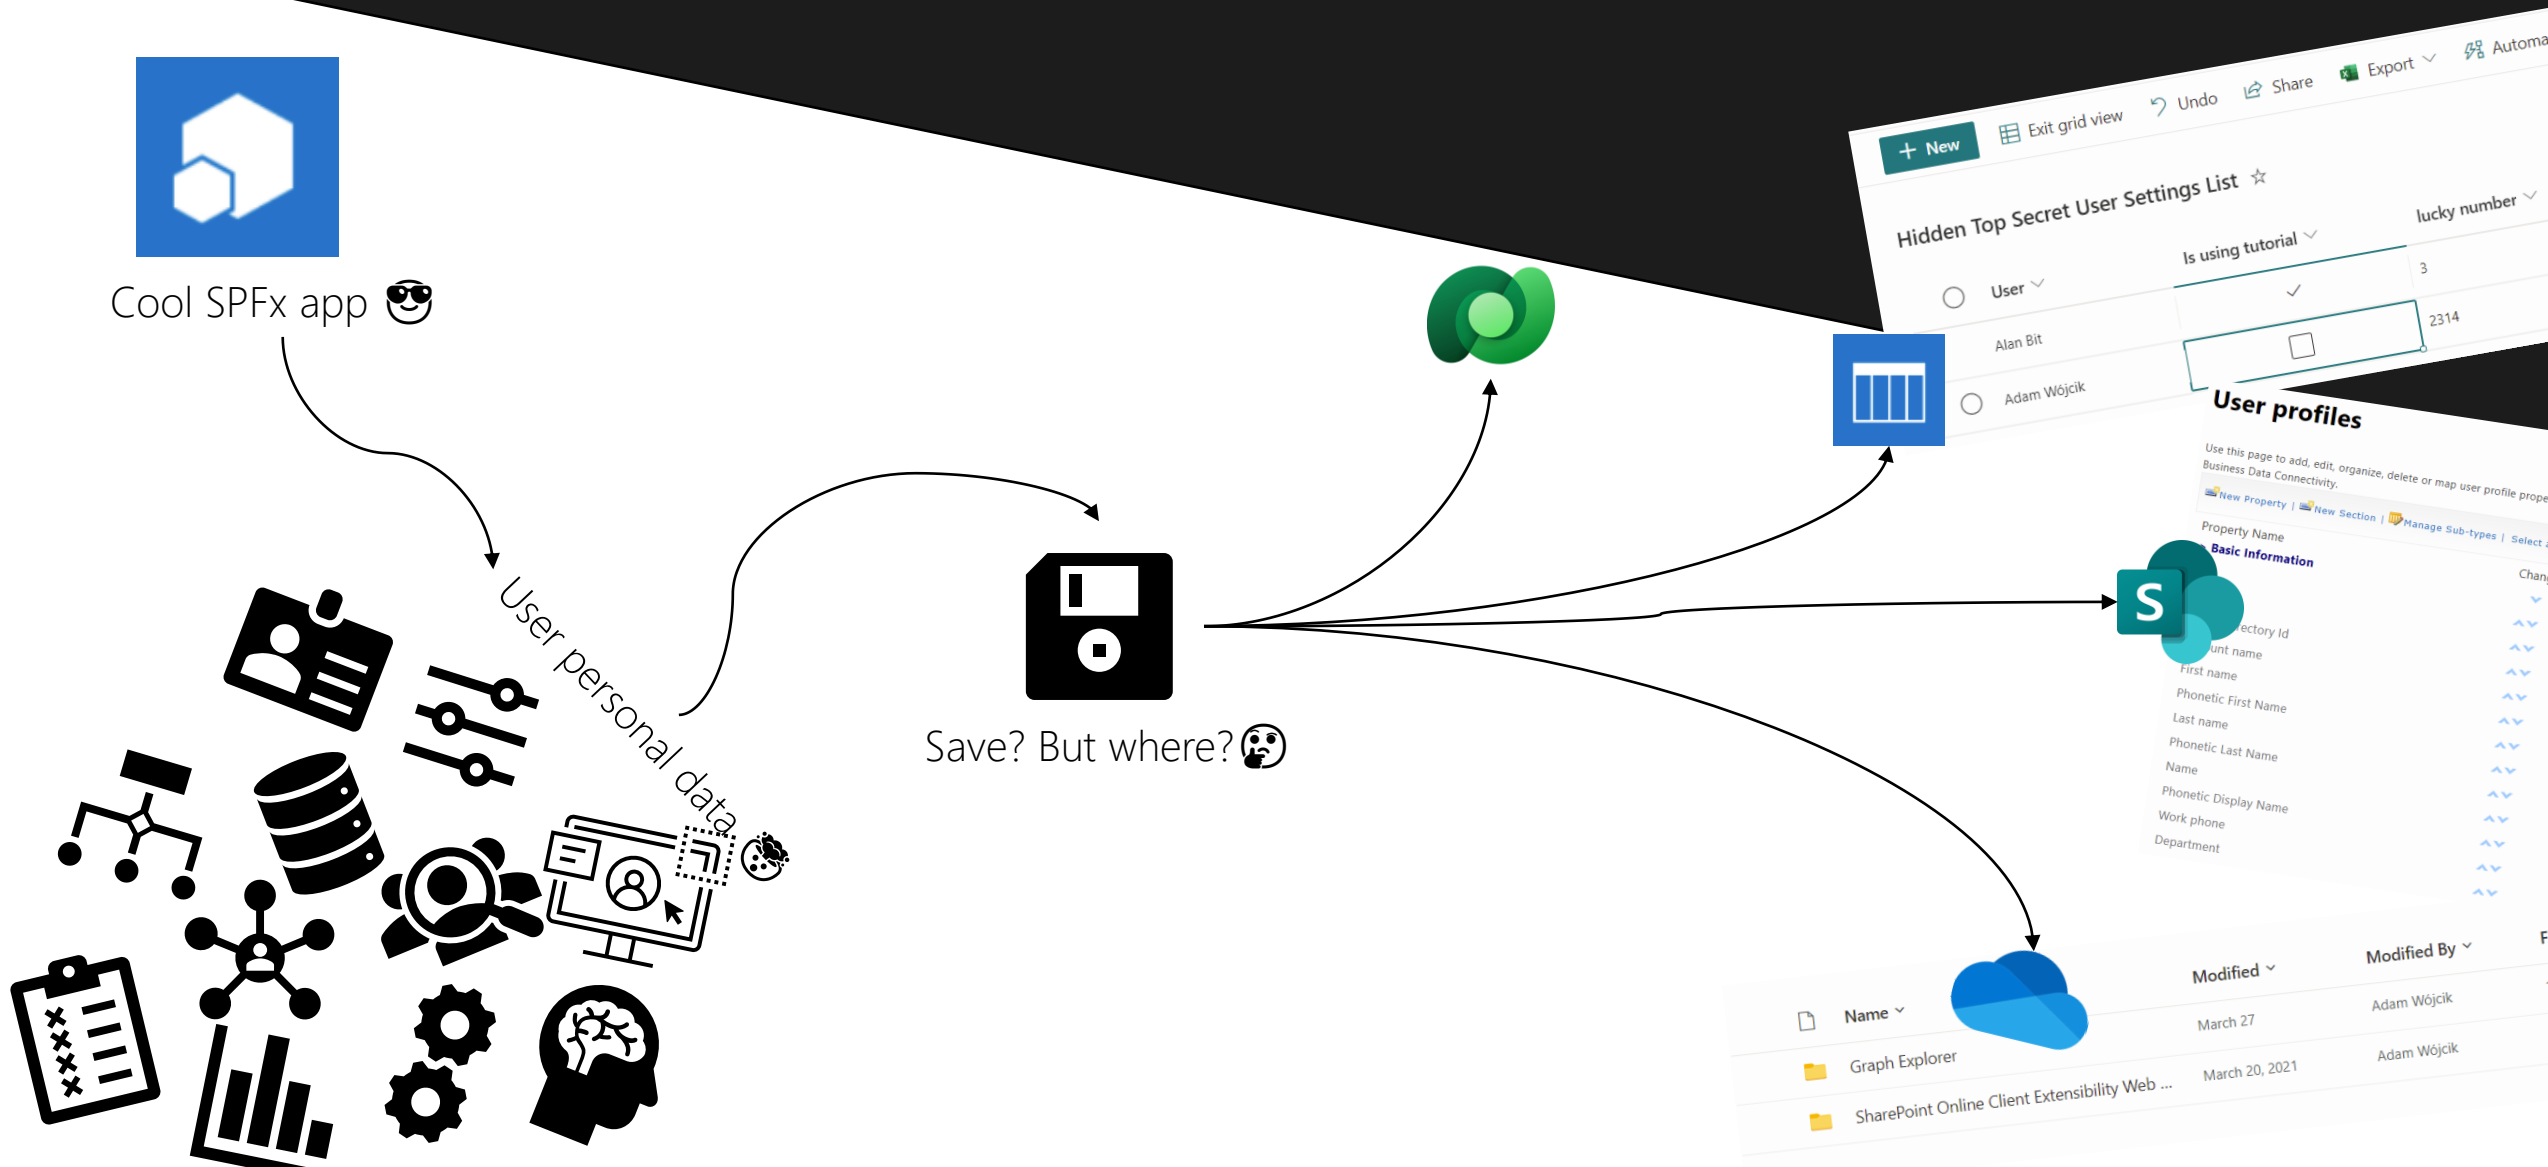

yes

Please don't, my work is for free 😊 Instead please support the ones in need 🙏❤️❤️

Thanks,
You Rock

What's it all about ?

How ?

&
JSON

body { }

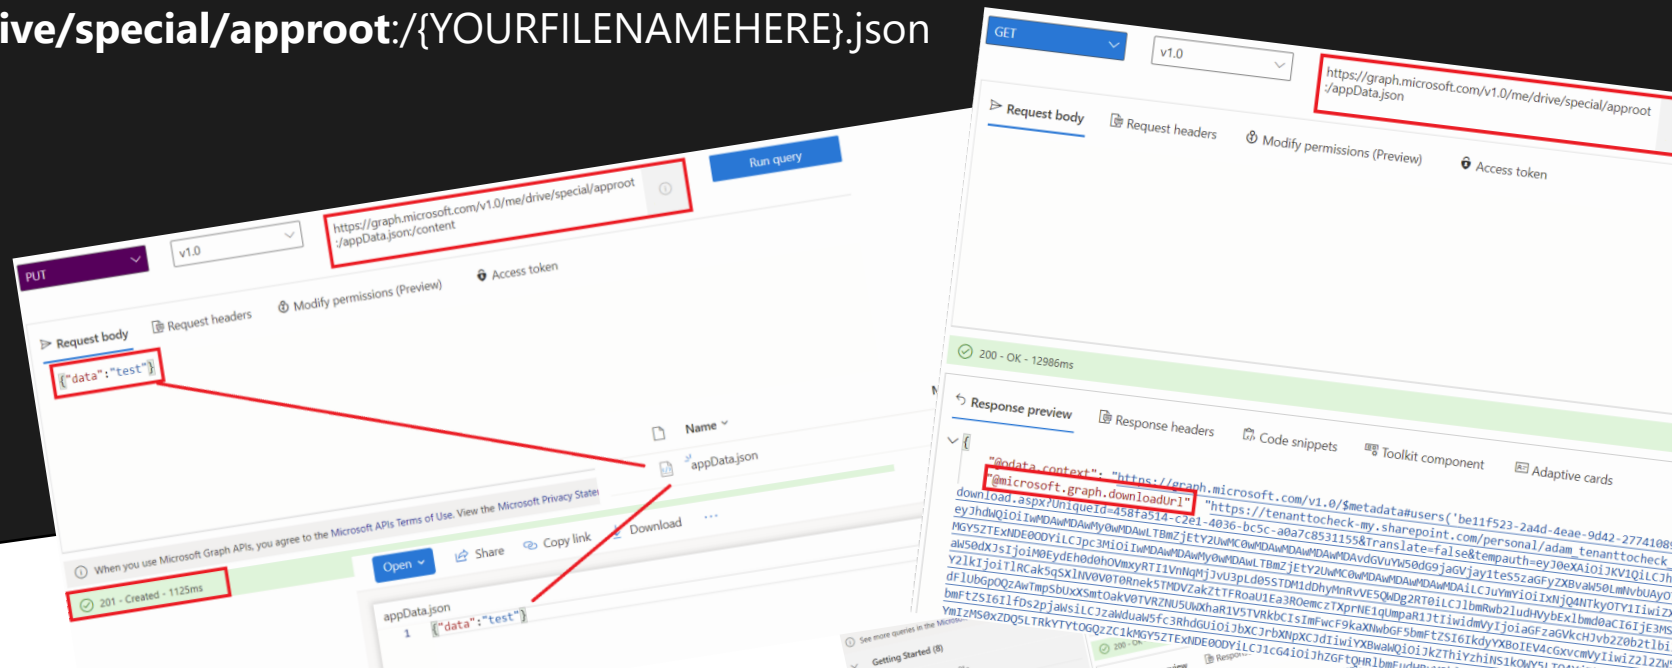

GET: <https://graph.microsoft.com/v1.0/me/drive/special/approot>

PUT: <https://graph.microsoft.com/v1.0/me/drive/special/approot:{YOURFILENAMEHERE}.json:/content>

GET: <https://graph.microsoft.com/v1.0/me/drive/special/approot:{YOURFILENAMEHERE}.json>

DEMO

Thanks for watching 👍

You missed it 😬? No problem I guess it's recorded 😊,
but in case you do prefer to read 📖 there is a blog post
about it on pnp.github.io/blog as well 📖
