Visualizing dynamically SharePoint data within SPFx solutions using ERD model

SPFx

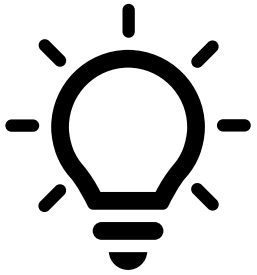

PnPjs

GoJS

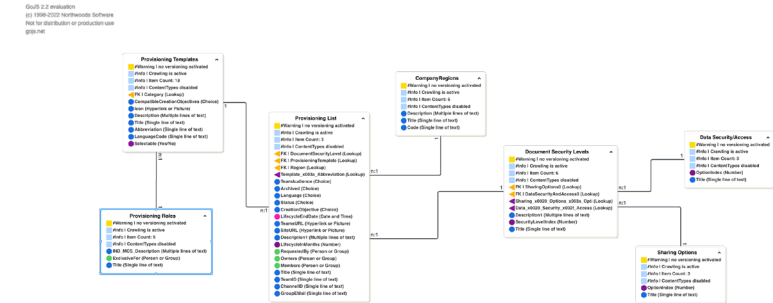

GoJS 2.2 evaluation
(c) 1998-2022 Northwoods Software
Not for distribution or production use
gojs.net

Motivation / Highlights

Unknown list structure? =>
„wouldn't it be nice...“

Highlights

- List structure to ERD (with GoJS)
- Using SPFx „Single Part App Page“
- opt in/out of alerts and fields
- Alerts (versioning, itemcount, thresholdlimit...)
- Download as image

DEMO
